We hereby propose to provide weekly pool service at the above address for \$_____ per month. Applicable sales tax will be added. A nominal fuel surcharge fee may be added to the monthly service invoice based on current gas prices.

The following is included in weekly service:

- ♦ Vacuum or leafmaster the pool on each visit and net surface.
- ♦ Test and adjust the water chemistry for chlorine, pH, total alkalinity, calcium hardness, stabilizer, and salt (if applicable).
- ♦ Empty traps and skimmers, empty poolsweep, backwash filter as needed.
- ♦ Brush tile, walls, steps, and floors as needed (calcium removal from tile is additional).
- ♦ Add water to the pool while on site. Water will be added as a courtesy. (See #2 below for additional details.)
- ♦ Leave a note after each visit detailing work done and problems noted.

The following terms and conditions apply to the service:

1. **Safety Issues** The homeowner/resident is responsible to maintain code compliance with the city on issues such as fencing and gates, backwash/waste lines, and all other applicable safety issues.
2. **Water Level** If water is needed, we will add water while on site and will turn it off when we leave. It is the homeowners responsibility to maintain proper water levels.
3. **Chemicals** All basic chemicals are included and stored on our vehicles. All algaecides, colored plaster treatment chemicals, and phosphate removers will be charged extra and will be invoiced separately.
4. **Payment Terms** Service is billed at the beginning of the month for that current service month and must be paid by the end of that current month in order to insure uninterrupted service. Repairs are billed when completed and are due within 15 days from the completion date. You can also pay using all major credit cards, bank draft, or PayPal (paypal@tropixpools.com). Unpaid bills will result in suspension or cancellation of service. All past due invoices are subject to a late fee of 2% per month.
5. **Rain and Freeze Visits** In the event of rain or freezing temperatures below 35 degrees, we will perform a chemicals and equipment check only. No refunds will be given for this type of visit.
6. **Termination** Service may be terminated at will by either party with no advance notice. However, service is billed at an annualized price. If you need service for summer months only, your monthly billing may increase.
7. **Pets** The homeowner/resident is responsible to contain and restrain their pets.
8. **Additional Cleanup Charges** In the event that the pool is unusually dirty at time of service is started or in the event that the pool receives excessive debris and/or dirt load due to landscaping or poor draining, there will be an additional charge of \$80.00 per hour for each hour over the normal time.
9. **Customer Satisfaction** Our goal is your complete satisfaction. In the event that a job is not satisfactorily completed, it is the customers responsibility to notify Tropix Pools within 7 days (preferably sooner), so that we can look into the matter and resolve it quickly.
10. **Repairs** We are happy to perform all repairs and remodeling. Call us for a free quote. Our labor charge to dispatch a technician to your pool for repairs is \$80 per hour. For our weekly cleaning service customers there is no charge for troubleshooting prior to the repair. Any repairs over \$500 require a 50% deposit before work can begin.
